**Compatible Models are highlighted in Blue, all the other models are pending approval.**

**Eclipse Note: Compatability with Eclipse Model AVN6610 requires a software update that is only available from Eclipse. Please Contact Eclipse directly at 1-800-233-2216 and ask for disc sku# - MDV-78D**

**Kenwood Note: All the Kenwood models highlighted in Yellow require the KCA-XM100V interface (Distributed by Kenwood) and the Audiovox CNP2000 MiniTuner receiver. These models will not require the CNPKEN1 cable or CNP2000UC Main kit.**
